Top of Bed Specifications

Bedding | Duvets

Duvet Covers

- Closures: These covers are available with a standard zipper or envelope style.
- Edge: Can be specified as knife, flange or welt

Yardage:

- 54" fabric require 12 yards and is joined.
- 126" (or fabrics over 110") require 6 yards and are seamless on both face and underside.

Duvet Inserts:

- Continuous filament fiberfill or hypoallergenic.
- The insert shell is made of preshrunk 70/30 poly/cotton, leak proof, washable fabric.
- Also available in Natural Down.
- Standard fill weights are:

BED TYPE	DIMENSIONS	POLYESTER FIBERFILL	NATURAL DOWN
Twin	66" x 90"	33 oz.	26 oz.
Double	82" x 90"	40 oz.	28 oz.
Queen	90" x 90"	45 oz.	29.5 oz.
King	104" x 90"	50 oz.	33 oz.

Bedding | Bed Scarves

Scarves

- A decorative accent places over the duvet, bedspread, or top sheet.
- It is typically 20" – 25" wide and falls to the top of the bed skirt.
- Face and back can either be the same or contrasting fabrics.
- Edge detail can be knife edge, tape edge, welt or flange.

Bedding | Box Spring Cover and Bed Skirts

Box Spring Cover

- This form fitting fabric cover is an elegant solution that snugly fits over and conceals the entire box spring.
- Top Decking: Manufactured using 70/30 polyester/cotton blend or 100% polyester.
- Top Platform Strip: The 4" wide strip on all three sides is made from the same fabric as the box spring cover.
- Size: Width, length and height of box spring + 2" ease of installation.

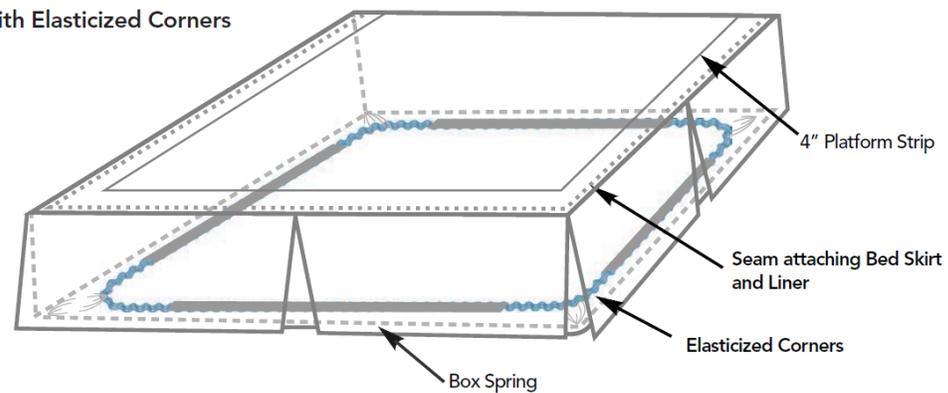

Bedding | Box Spring Cover and Bed Skirts

Bed Skirt

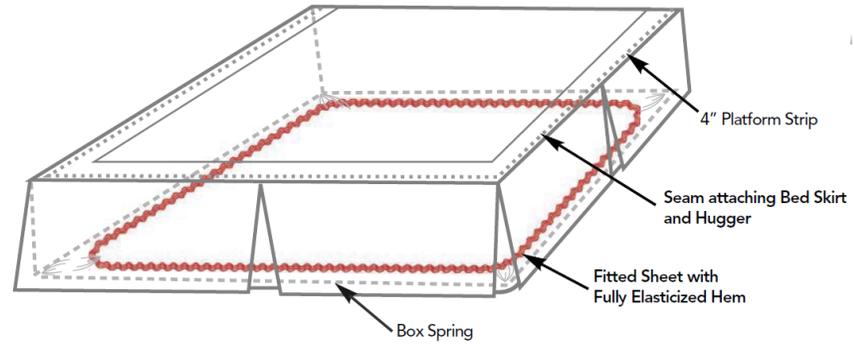

- Options available to help prevent or minimize slippage:
 - Fitted Cap: A 4" wide strip of decking extending over top of the bed and enclosing the top corners to minimize movement (slippage) of the skirt.
 - Elasticized Corners: A fitted sheet with elasticized corners holds the bed skirt in place.
 - Hugger: A fitted sheet with elasticized banding around the entire perimeter to reduce movement of the bed skirt.
 - Grippers: Non-slip triangular corner pads are sewn into the underside of the platform to prevent movement of the bed skirt.

Bed Skirt with Elasticized Corners

Bed Skirt Hugger

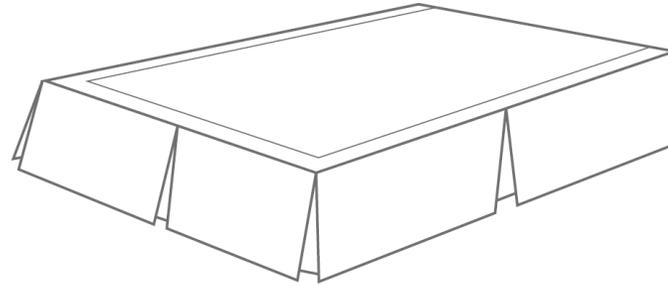

Bed Skirt with Grippers

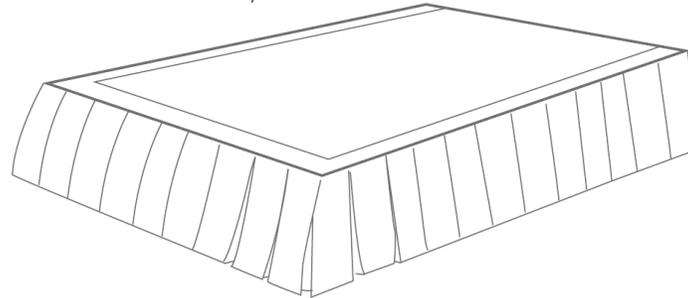

Bedding | Box Spring Cover and Bed Skirts

Standard bed Skirt Styles

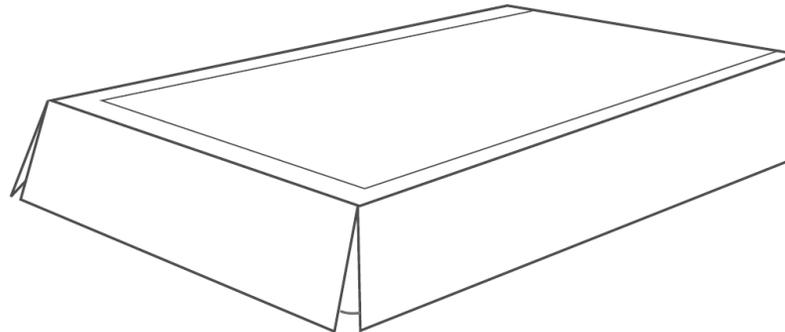

- **Tailored** – 3 or 5 inverted pleats. Pleats are placed at the center of the three side drops and one each at the front corners.

- **Box Pleated** – Continuous inverted pleats on all three sides of the drop. Pleat widths are 6", 8", or 10".

- **Corner Pleated** – 2 inverted pleats at front corners.

Bedding | Decorative Pillows

Throw Pillows

- Closure: The standard is machine-sewn closure but zippered closures are also available.
- Fill: Each pillow is hand-filled with down or polyester fiberfill (customer to specify) to a medium density.
- Options: Decorative edgings such as welts, piping, trims, braids and tassels.

Bedding | Decorative Pillows

Bolsters

- Closure: The standard is machine-sewn closure but zippered closures are also available.
- Fill: Each pillow is hand-filled with down or polyester fiberfill (customer to specify) to a medium density.
- Options: Decorative edgings such as welts, piping, trims, braids and tassels.
- Sizes: Typical cylindrical bolsters are available from 4" to 12" in diameter and in any way specified length. Custom sizes and shapes are also available.

Bedding | Bedspreads

Bedspreads

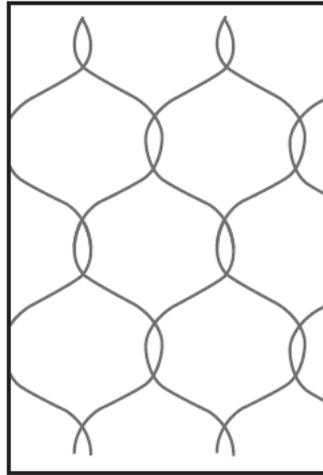

- Filling: Bonded polyester is the standard for commercial use. Standard fill is 8 oz and other weights are available at 6 oz., 10 oz., and 12 oz.
- Seams: Fabrics that are 126" wide (based on a 21" drop) are seamless. All bedspread are pattern and quilted match.
- Lining: Standard is a pre-shrunk 70/30 polyester/cotton blend, compatible with all face fabrics.
- Hems: Single-needle hems are lock-stitched through quilting to prevent the spread from unraveling and create a 1" self-welt look.
- Finish: All corners are mitered for strength.
- Pillow Tuck: The allowance added to cover the pillow.
- Measurements: Indicate bed type: Twin, Double, Full, Queen, King, etc.

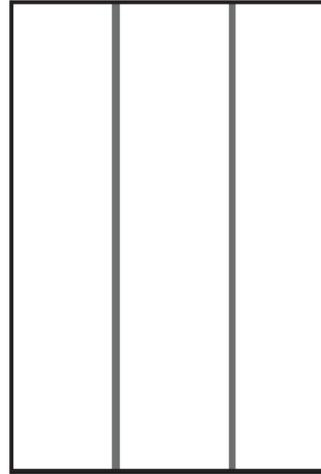

Bedding | Bedspreads

Bedspreads Quilting Patterns

Bedding | Bedspreads

Bedspread Style

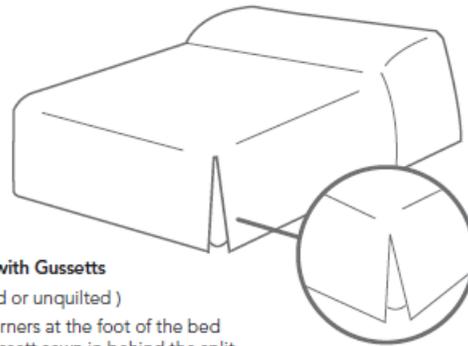

Standard Bedspread and Coverlet Styles

Throw with Rounded Corners
Rounded corners at the foot of the bed (quilted or unquilted)

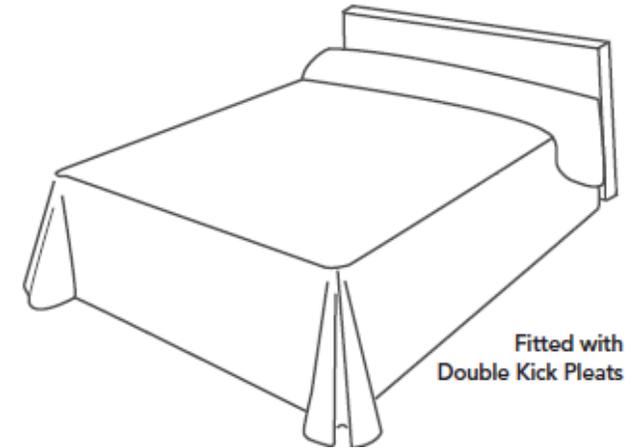

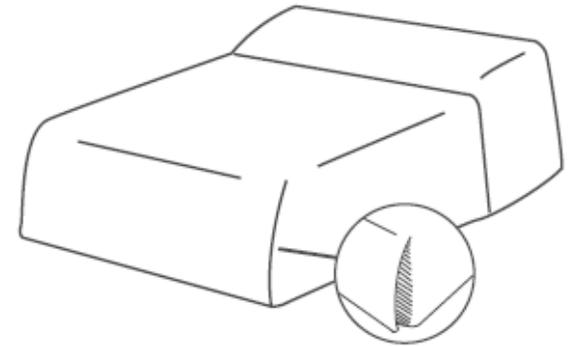

Fitted with Cap Corners
Split corners stitched closed at the foot of the bed (quilted or unquilted)

Fitted with Gussetts
(quilted or unquilted)
Split corners at the foot of the bed with gussett sewn in behind the split. The gussett may be quilted or unquilted - unquilted requires an additional 3/4 yard of material.

Fitted with Waterfall Front

The top of the bedspread falls over the end of the bed for the foot drop. The side drops wrap around the foot of the bed 8 to 12 inches under the foot drop.

Fitted with Double Kick Pleats

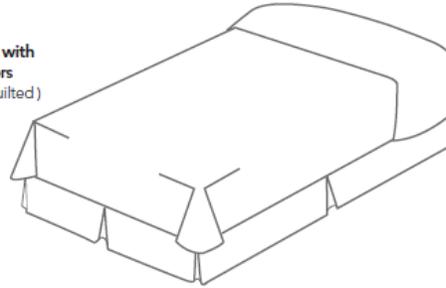

Bedding | Bedspreads

Coverlets

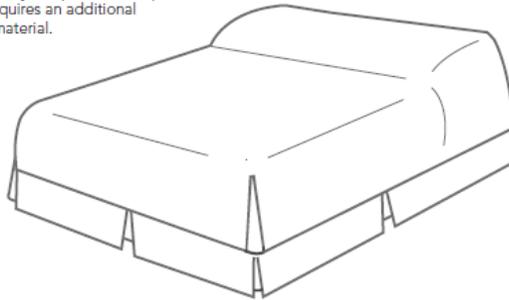

- o Construction and specifications are the same as those notes for quilted bedspreads except that the shorter drop on the side and foot typically measures 13".

Coverlet Throw with Rounded Corners
(quilted or unquilted)

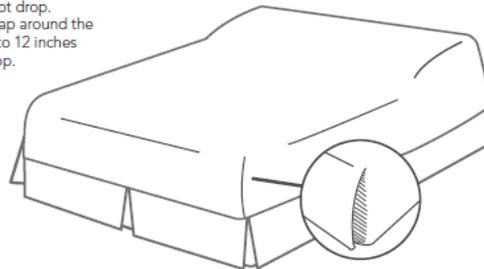

Fitted with Gussetts
(quilted or unquilted)

Split corners at the foot of the bed with gussett sewn in behind the split. The gussett may be quilted or unquilted - unquilted requires an additional 3/4 yard of material.

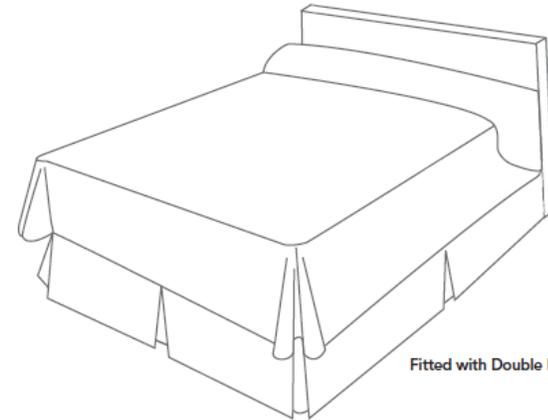

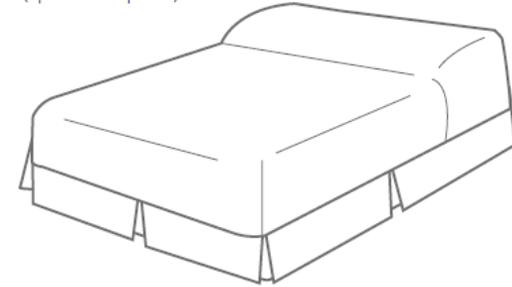

Fitted with Waterfall Front

The top of the bedspread falls over the end of the bed for the foot drop. The side drops wrap around the foot of the bed 8 to 12 inches under the foot drop.

Fitted with Cap Corners

Split corners stitched closed at the foot of the bed (quilted or unquilted)

Fitted with Double Kick Pleats

Top Sheets

- o Flat decorative cover
